Hilltop Holdings Inc. Completes Sale of National Lloyds Corporation to Align Financial Holdings, LLC

DALLAS (July 1, 2020) – Hilltop Holdings Inc. (NYSE: HTH) (“Hilltop”) and Align Financial Holdings, LLC (“Align”) today announced the completion of the sale of Hilltop’s wholly owned subsidiary, National Lloyds Corporation (“National Lloyds”), to Align on June 30. The transaction, which was first announced in January 2020, closed following the receipt of required regulatory approvals and the satisfaction of other customary closing conditions. Gross proceeds (before transaction expenses) at closing to Hilltop from the transaction were approximately \$154.1 million, subject to post-closing adjustments.

Dallas-based National Lloyds is a specialty property insurer primarily serving owners of lower value homes and mobile homes. The company writes premiums through two subsidiaries, National Lloyds Insurance Company and American Summit Insurance Company (the “Carriers”), and also has wholly owned agency and services businesses, including Nalico General Agency (the “Agencies”).

As part of its purchase of National Lloyds, Align concurrently sold the Carriers to ReAlign Insurance Holdings, LLC (“ReAlign”) in an all-cash transaction. ReAlign is an insurance holding company formed by ReAlign Capital Strategies, LLC and other private investors. As part of the transaction, the Agencies retained by Align, or their affiliates, have entered into various agreements with the Carriers to provide services, including acting as a program underwriting manager and claims administrator for the Carriers.

“We are so proud of what National Lloyds has accomplished during the past 13 years as a part of the Hilltop family,” said Hilltop Holdings President and CEO Jeremy B. Ford. “We will certainly miss working with the exceptional team that has helped National Lloyds continue to deliver strong financial results as it has throughout the company’s impressive 70-year history, but we are excited for them to embark on this new journey with Align. I believe that Align’s established platform and keen focus on the insurance industry will help take National Lloyds to the next level.”

“This strategic transaction will serve to further diversify and scale Align’s business; putting us on track to write close to \$500 million of specialty premiums this year,” said Kieran Sweeney, CEO of Align. “National Lloyds is a leading underwriter of specialty personal property insurance and we are delighted to welcome their high-quality team to Align. We look forward to working together to deliver new and enhanced product solutions to their valued customers.”

Piper Sandler & Co. acted as exclusive financial advisor to Hilltop Holdings and Wachtell, Lipton, Rosen & Katz served as legal counsel to Hilltop Holdings in connection with the transaction. Durham Jones & Pinegar, P.C. served as legal counsel to Align Financial Holdings in connection with the transaction.
